Kia ora and welcome to my first newsletter for 2025! On behalf of the staff and the Board, can I welcome new whānau to the

college and welcome back existing families. Following this newsletter, I will be mailing or emailing newsletters home at least once each month. Newsletters can also be viewed on our website. School news can also be found on our Facebook page.

School started for the year on Monday 27 January with a powhiri, when we celebrated the arrival of over 180 new students to Rongotai College, including 158 new Year 9 students.

Hopefully this ceremony and the activities that followed it, allowed boys to quickly feel at home and be part of the Rongotai family from their first day at our school.

New students assembling for the powhiri

All students were on timetable and in class on Tuesday 28 January. While it is early days, the school already seems calm and all boys have settled into work.

STAFF NEWS

We welcomed five new teachers to the school at the powhiri on the first day of term.

- **Ms Annabel Heenan** (Asst HOD English) comes to us from Wellington Girls' College.
- **Mr Dalton Letawsky** (Health & PE) comes to us from St Catherine's College.
- **Ms Mikaela Neely** (Science) joins us from Ireland, having previously taught in London.

STUDENT ID & CLASS PHOTOS

On **Tuesday 11 February** students will have their ID photograph and class photo taken. Please ensure that your son's uniform is in good order and he is clean shaven.

- **Ms Brianna See** (English) has been teaching at Wellington East Girls' College.
- **Mr Timothy Teng** (Maths) is a new teacher, having studied at Te Herenga Waka - Victoria University last year.

Mr Deepak Nadan (Maths) comes to us from Fiji where he has been teaching for a number of years. Mr Nadan will start at Rongotai College in mid-February.

STUDENT CELLPHONE USE

In line with the Ministry of Education policy, student access to cell phones is not allowed during the school day. This was adopted by our Board in November 2023, prior to the Ministry advice, but with the knowledge it would be introduced by the government in 2024.

This policy will work in the following ways:

- Cell phones and accessories related to cell phones (i.e. headphones and Air Pods) must not be used or be visible on college grounds during the hours of 8.50am and 3.15pm (including morning and afternoon breaks).

They may be stored in bags, lockers, or in pockets, but must not be used or visible and should be turned off or switched to Flight Mode. We would encourage students to leave their phones in their locker or bag to remove the distraction of notifications.

- If cell phones or accessories attached are visible or being used the following consequences will be applied:
 - a. First Instance: confiscated for the remainder of the school day.
 - b. Second Instance: confiscated for the remainder of the school day, and the student will be required to sign the phone in and out of the Deputy Principal office at 8.50am and 3.20pm respectively, for a period of one week.
 - c. Further violations will involve the Deputy Principal communicating with home to establish a strategy with the family.
- Cell phones taken from students will be given back at 3.20pm from the Deputy Principal's Office. Phones will generally not be held overnight by the school unless a student does not return to pick it up.
- Air Pods and headphones will not be allowed during school hours unless connected to a Chromebook in class time (but only with permission of the teacher).

If you need to contact your son during school hours you can call the school office and a message will be sent to his class. Students will also have access to their school email address via Chromebooks or laptops throughout the school day. If your son needs to urgently contact you during the school day, he may go to the front office and use the landline.

TEACHER PROFESSIONAL LEARNING - THURSDAYS

To provide time for staff professional learning, lessons will be starting slightly later on **Thursdays**. Instead of 8.55am, school will start at 9.15am.

No form time will be held on this day so only five minutes of class time will be lost to allow for this professional development. The school day will finish at the normal time and buses will run as usual. The school will be open at the same time, of course, meaning that your son will simply have 20 minutes to fill in before classes start if he comes by bus. Students who do not arrive by bus must be at school by

9.15am. This will start from **Thursday 13 February**.

WEEKLY REPORTING

From Week 3 we will be providing a weekly overview of your son's work at school. Teachers will provide a grade from 1 (poor) – 5 (well above expectations), outlining how your son has worked in class over the previous five days. Descriptors can be found on the school's website.

These will be emailed to parents on Friday afternoon each week. If your son has been absent during the week, he will not receive a grade. At the end of term, you will receive a report with the average for the term.

STUDENT LEADERSHIP 2025

Prefects were announced at Senior Prizegiving last year. At assembly today, we acknowledged our student leaders for 2025 and presented them with their badges. Prefects give leadership and provide support to other students in the school. Our prefects have an important role and may well instruct your son to follow proper rules and do the right thing when this is not happening. However, their main focus is to be a role model and provide an example to other students. They also assist with the smooth running of the school and organisation of events. We are pleased to announce our prefects for 2025:

Head Prefect

Leo Powdrell

Academic Leader

Ben Young

Cultural Leader

Carlos Morris-Matchitt

Deputy – TJ Robinson

House Captains

Heron – William Witcombe

Mackay – Tui Howe

Deputy Head Prefect

Joshua Matatia

Arts Leader

Leo Stein

Sports Captain

Sam Jones

Deputy – Aston

Burwell-Garratt

Lock – Sjaark Ferrer van der Aa

Renner – to be named

Prefects

Oliver Brooke

Fletcher Cowan

Matthew Hoffmann

John Kersey

Anas Zewada

We believe with this style of reporting, you should have a better understanding of how your son is working throughout the term, week-by-week, and you will be able to see if his level of performance in class has dropped or has improved.

YEAR 9 PARENTS' EVENING

All parents / caregivers of Year 9 students are invited to the college on the evening of **Wednesday 19 February**. This evening is held to give you the opportunity to understand our college's structures and systems so that you can best assist your son in his learning. You will also be able to meet your son's core subject teachers. The evening will begin at 6pm in the college's Renner Hall.

NCEA INFORMATION EVENING

Parents often ask questions regarding how NCEA operates. I think it is vital that you understand NCEA and what is needed for your son to succeed. To ensure that you are informed, Mr Reddy (Deputy Principal) will be hosting an NCEA Information Evening for parents on **Tuesday 11 March** in the college's Library at 6pm.

It is important that whānau of Year 11, 12 and 13 students who wish to gain a better understanding of NCEA attend particularly given that Level 1 of NCEA has changed; parents of students in Year 10 are also most welcome.

BYOD

Rongotai College continues to strongly encourage students to bring their own digital device to school for learning purposes. In 2025, we are again focusing our teaching on using devices, and any student at any level may bring a device to enhance their learning.

While we have not specified a device that your son must use, we recommend that Year 9-11 students have a **chromebook**.

I know security is an important issue for parents. Students are responsible for the security of their devices. They are able to rent lockers from the College Shop for \$20 if they wish.

While the school has a number of devices available for students to use, we cannot provide a device for every boy. Over the past few years, a growing number of boys have made the relatively selfish decision not to bring their devices to school even though they have them. This reduces our capacity to help boys who do not have devices. **If you have a device for your son, please ensure he brings it to school.**

HOME / SCHOOL COMMUNICATION

Establishing and maintaining good communication between parents and the college is essential for your son's learning. If you have any concerns or questions, you should contact his form teacher in the first instance. If further communication is necessary, please contact the appropriate year level dean. Our deans for 2025 are:

Year 13 Dean – Mr Pemerika Leiataua
Year 12 Dean – Ms Michaela Smith
Year 11 Dean – Mr Whetu Henry
Year 10 Dean – Mr Sean O'Connor
Year 9 Dean – Mr Stavros Ikononakis

Email addresses for deans and all staff are available on the college's website.

For serious concerns, contact should be made with the Deputy Principals, Mr Geoff Hall (Director of Pastoral Care) or Mr Venkat Reddy (Director of Teaching & Learning), or myself. We welcome contact from you.

RONGOTAI COLLEGE PARENTS' ASSOCIATION

This group of parents meet throughout the year, raising and distributing funds to support the boys in their learning and enjoyment of school life. New members are welcome – this group is a great way to continue to be

involved in your son's school. Two popular fundraisers are held each year with tasks distributed amongst the group. We endeavour to share the load and ensure that no job is too onerous.

The next meeting will be held in the college's staff room on Wednesday 12 February at 7.15pm. All new members are welcome.

ATHLETICS SPORTS

Our Athletics Days will be held on Friday 31 January and Wednesday 13 February at Newtown Park.

Both Athletics Sports Days will take place no matter what the weather – they will NOT be cancelled.

Friday 31 January is our participation day.

- Students are required to make their own way to the park and to report for a roll call at 8.55am.
- If your son is coming by bus, he should ask his bus driver to drop him as near to Newtown Park as he can. Students will be dismissed from Newtown Park at the conclusion of the day (approximately 2.30pm) and are required to make their own way home.
- Please make sure that your son dresses appropriately for the weather and provide him with sun block and a hat.
- Students are encouraged to wear clothing in their house colours but may NOT wear bandanas. No face paint is permitted.

Wednesday 13 February will be the finals day for those students who have qualified. This finals event will be held in conjunction with Wellington College, at Newtown Park.

Parents are, of course, most welcome to attend our Athletic Days. We are looking forward to these enjoyable days.

McEVEDY SHIELD

This is an annual athletics competition contested between Rongotai College, Wellington College, St Patrick's College (Town) and St Patrick's College (Silverstream). This event will be

held at Newtown Park on **Tuesday 4 March**. Updated information will be advised in our next newsletter.

SPORT

I am sure 2025 will be another exciting year of sport at Rongotai College. Whether boys are new to sport, play socially or competitively, there are wonderful opportunities for them to get involved. Sport is a great way to make friends, build confidence, be active, and have fun. We strongly encourage every

student at Rongotai College to take part in sport; with a wide variety of sports on offer from the competitive to the social, there is something for everyone.

Parent Support

Sport at college is only possible thanks to the support of the parents and volunteers. We encourage all parents to be involved and engaged in their son's sport, whether that be through coaching, managing, scoring, refereeing, helping with

transport, joining a committee or fundraising. There is a field on the registration form where you can indicate how you can assist.
